

## ANDERSEN Winches - Boat Show Specials 2012

### Self Tailing Manual Winches and Electric Winch Conversion Kits

Manually operated Andersen Winches can be converted to Electric Winches with ANDERSEN Conversion Kits. Installation is made easy by the Modular Power System.

To find the Boat Show Special for a Manual Self Tailing Winch, simply find the size of winch that you want then select either Standard or Full Stainless model.

To find the Boat Show Special for a complete Electric Winch, first find the price of the Manual Self Tailing Winch, then add that price to the matching Electric Conversion Kit. -

ie. an Electric 40 Self Tailing Full Stainless Winch with Compact Below Deck Motor would be: \$998 + \$4,921 = \$5,919

	Manual Winch		Electric Conversion Kit (12V or 24V) - Does Not Include Winch		
	Standard	Full Stainless	2+1	Compact
